in cooperation with the
Keystone Chapter – Soil and Water Conservation
Society**

**DCNR Tiadaghton State Forest
Waterville, PA
July 18th, 2012**

AGENDA

- I. 8:30-9:30 Registration
- II. 9:30-11:00 Presentation by State Forest Staff

Shale Gas Development and State Forests

Marcellus Geology 101
- III. 11:00-11:45 Presentation by Dr. Patrick Drohan

Soil/landscape impacts and management associated
with Marcellus shale natural gas drilling
- IV. 12:00-3:00 Field Tour

Field tour will feature visits to well pads in different
stages of development, including an active drilling rig.
We will also visit metering sites, compressor stations,
water impoundments, pipelines and rights-of-way,
scenic vistas, recreational areas, timber sales, etc. The
tour will cover a variety of state forest management
activities with a focus on recent shale gas development
and management.
