

**PENNSYLVANIA ASSOCIATION OF
PROFESSIONAL SOIL SCIENTISTS**

P. O. Box 233, Harrisburg, PA 17108

APPLICATION FORM

Name: _____

Home Address: _____ Office Address: _____

Telephone: _____ Telephone: _____

Mailing Address for PAPSS Correspondence: Home Office

1. Type of membership (circle one; check qualifications listed in Constitution and Bylaws):

Member

Apprentice Member

Associate Member

2. List the university or college from which you received your degree(s):

University/College	Department	Degree	Major/Minor Area	Date

3. List the courses (by description and credits) on the reverse side that you have taken that fulfill the Bylaws requirements. Attach a transcript of your academic records.

4. Attach a resume including professional soil scientist positions held--include names of employers, duties, responsibilities, activities, and dates of employment for each position. Summarize your professional experience as it relates to Section 2.1 of Article II - Membership in the Bylaws. Include only time spent on work activities relating to soil classification, mapping, and interpretations.

5. As part of your submission, please include examples of projects in which your responsibilities included soil classification, mapping, or interpretations. Include other significant soil activities and membership in professional and honorary organizations.

6. List one or more members of the association who will act as a reference for you. References will be requested to submit a confidential evaluation. _____

7. Reason for applying for membership in PAPSS. _____

8. I hereby certify that all information submitted in support of this application is correct and true to the best of my knowledge. I have read and fully subscribe to the PAPSS Code of Ethics.

Signature: _____ Date: _____

Please send application to the president of the association with an application fee of \$15.00 payable to PAPSS.

affiliated with the
American Registry of Certified Professionals in Agronomy, Crops, and Soils

PROFESSIONAL CONSULTING SOIL SCIENTISTS LIST

The Consultants List Committee is updating the current list of professional consulting soil scientists in Pennsylvania. Anyone who is a full member of the Pennsylvania Association of Professional Soil Scientists (PAPSS) and is available to do soil science consulting work should complete the information below and return it to Mr. Bruce P. Willman. It is important that every PAPSS member who qualifies be included on the consulting soil scientists in Pennsylvania. The consultants list will be published for 1993. Please include a check for \$25 made payable to PAPSS to defray the cost of publishing and mailing. The information below must be completed and returned by December 15, 1992.

Our normal mailing distribution includes all United States Department of Agriculture (USDA) Soil Conservation Service (SCS) county and field offices, and Pennsylvania Department of Environmental Resources (DER) regional and county offices compiled from the most recent directory for these agencies. In addition, the United States Environmental Protection Agency (EPA) Region III office and several neighboring state agencies and professional associations receive a copy. A total of approximately 300 brochures are mailed out. Approximately 300 are also distributed at the Pennsylvania Association of Sewage Enforcement Officers (PASEO) meeting in February/March. The remaining copies (from the initial printing of 1,000) are divided equally to the members listed in the brochure. This has resulted in approximately 15 to 20 copies over the past several years, depending upon the number of individuals on the list.

If you would like an additional quantity for your own distribution, please indicate your request below. The cost of additional copies is 30 cents each. Please include the cost of your additional copies with your \$25 payment.

PAPSS CONSULTING SOIL SCIENTISTS LISTING

Consultant's Name and Title(s) _____

Mailing Address: _____

Telephone (area code): _____ Facsimile (area code): _____

Educational Degrees: _____
